Wine Charms, Reimagined

Add a personal (and stylish) touch to your next gathering with custom wine glass charms. Choose from thoughtfully curated sets, mix and match your favorites, or design a completely bespoke collection that's uniquely yours. Perfect for girls' nights, bridal showers, hostess gifts, or any occasion that calls for a little extra flair.

And don't forget—shell gifts aren't just for the holidays!

I create custom pieces for every occasion, including corporate events, wedding favors, housewarmings, baby gifts, and so much more. All shells can be personalized.

If you can dream it, I can bring it to life on a shell.

If you haven't already, I invite you to explore my website—beautifully designed by Maura at A7 Creative.
